I/We want to live a life of generous giving with our commitment to Matthews UMC Operating Ministry Plan for 2020 with an annual gift of \$_____.

I/We also want to commit to support our long-term capital needs for our church campus (ReFresh & ReNew) for 2020 with an annual gift of \$_____.

Your Financial Gift Commitment is a personal faith commitment between you and God. After spending time in prayer, decide what your 2020 gift commitment will be and complete this card. Please sign it and place your card in a self-addressed envelope and seal it. There will be a time during worship on Sunday, November 17 when you will be invited to place your sealed envelope in the Joash Chest. Envelopes will remain unopened in the chest and mailed back to you later in 2020 as a reminder of your commitment. Please review the chart on the back to help you in deciding what your 2020 commitment will be.

**MATTHEWS UNITED METHODIST
Active Families' Annual Giving Range**

Financial Giving by Families to the General Fund from Oct. 1, 2018 - Sept. 30, 2019

Please review this chart. and do two things: first, find your family on the chart and second, consider growing your giving.

Top Number - Number of Active Families Giving
Bottom Number - Range of Giving

If every one of the 477 families who gave zero to the church over the past year began giving just \$250 per year, an additional \$119,250 would be provided for ministries that impact the lives of so many.
