

If you are interested in volunteering at Greenway Park, you must FIRST register at <https://www.cmsvolunteers.com>. If you have previously been a volunteer, you will log in to your profile. If you have forgotten your password, you may retrieve it using <https://www.cmsvolunteers.com/lostpassword.php>. As part of security enhancements, the name listed on your profile must be EXACTLY THE SAME as the name shown on your driver's license. Please make sure your name is listed appropriately. You will need to be approved as a CMS volunteer prior to volunteering or registering to volunteer in any capacity.

Heart Math is an excellent “hands-on” tutoring program that supports grades 2-5. If you are interested in Heart Math, please go to the website [hearttutoring.org](http://hearttutoring.org) and click become a volunteer. You will be directed to a Volunteer Sign Up Form where you can choose to volunteer at Greenway Park one hour or 30 minutes weekly.

Other tutoring opportunities include working in a classroom with individual students to support reading, North Star Reading in kindergarten, and HELPS program to increase reading fluency in grade 3.

If you simply want to encourage and support a student, you might consider becoming a lunch buddy where you would eat lunch at the school once a week with an at-risk student.

Finally, if you are registered as a CMS volunteer for Greenway Park and are interested in volunteering on a more occasional basis, you will receive emails from the school for various special events such as fall festival, parent nights, book fairs, field day, and proctoring. Please also make me aware of other areas you are interested in volunteering.

Thanks again for your interest in Greenway Park Elementary as we “serve Him by loving them.”

If you have any questions about volunteer opportunities at Greenway Park, you are encouraged to contact Sandi Lee at 704-635-0920.
