## MATTHEWS UNITED METHODIST PATHWAYS Active Families' Annual Giving Range

## PATHWAYS TO GENEROSITY

Financial Giving by Families to the General Fund from Oct. 1, 2022 - Sept. 30, 2023

Please review this chart. and do two things: first, find your family on the chart and second, consider growing your giving.

Top Number - Number of Active Families Giving  
Bottom Number - Range of Giving

If every one of the 702 families who gave zero to the church over the past year began giving just \$250 per year, an additional \$175,500 would be provided for ministries that impact the lives of so many.
