

MATTHEWS UNITED METHODIST

April 15, 2025

Dear Matthews UMC Family,

I hope this report finds you well. As we close the first quarter of 2025, I am happy to announce that your continued support has contributed to a healthy quarterly financial report. We have received 359 pledges totaling over \$1.8 million to our General Fund which supports the ongoing ministries of the church. Our tithing budget for the first quarter was \$613,000. We are thankful for your contributions that helped us exceed this goal.

In keeping with our focus to go Beyond Hospitality to better serve our community, our 3-year Capital Campaign has been blessed with pledges totaling over \$2.3 million, \$1.3 million of which has already been received.

We strive to keep our campus and facilities fresh and appealing. To this end, we ask that you continue your support to ReFresh & ReNew. We have received \$13,400 in donations to this fund. We thank you for your contributions and understanding of the very important needs that this fund serves. (Please take a moment to look at the new flooring and shades in our classrooms on the first floor, courtesy of ReFresh & ReNew funds!)

As we reflect upon the transformations that come with a change in season, we are eternally grateful for your steadfast stewardship and generosity. I hope your spiritual journey continues to blossom alongside the daffodils and tulips; may we all take a moment to smell the roses and count our many blessings.

Click below to review your first-quarter Giving Statement for 2025. If you have any questions about your account, please contact Teresa Clark at 704-815-1943 or teressa@matthewsumc.org.

With Gratitude,

Debbie Fitts
Executive Director of Operations/Treasurer
